

## India Gospel Foundation – Press Release

The India Gospel Mission (IGM) was founded by Rev. Roy. S. Appallose of South India. The ministry was established in 1985 in very humble circumstances beginning with the founding of a Local Bible College and providing support for local village pastors. Brother Roy, as he prefers to be addressed responded to the vision to include various other works like a Children's Home.

The ministry has been a blessing to thousands of people and is expanding its influence throughout the region of South India. Additionally, the ministry has established a work in North India in the State of Orissa.

IGF was established as the US headquarters of IGM for the purpose to educate the public to the ministries needs, advise and train the leadership and to facilitate the ongoing work with consistent resources. The financial source of this mission is totally based on the support of the faithful friends and partners who have a burden to serve the Lord with their abundance and faithful prayers. The bottom line goal of this IGF is to engage others to participate in the preaching of the gospel to India, the Christian Education of its children and helping to meet the urgent physical needs of it peoples.
